LECTURE

BY

P. T. BARNUM, ESQ.

PHINEAS T. BARNUM, Esq., of New York, will deliver a lecture on Temperance at the M. E. Church, in St. Clairsville, Thursday Evening, April 26th, at 7:30 o'clock.

The public are cordially invited to attend.

Seats free.

DEATH FROM POISONING.

—Mr. Robert Street, a well known citizen of Smith Township, died on Wednesday of last week, from the effects of poisoning. The circumstances, as related to us, are as follows: Mr. Street, after eating a meal on the previous Saturday, noticed something on his head, and asked his wife (Mrs. John Moberly) with whom he boarded, if she had put a "rat poison" had not got on it? She told him she thought not, but he quit eating and in a short time became sick. A physician was procured, but in the meantime Mr. Street had drunk milk, which relieved him. The physician advised him to take some salts. A grandchild was sent up to the town on Tuesday for salts, but none were taken until the following day. On that day Mr. Street took a large dose. Shortly afterwards he became quite sick and died the same day.

A coroner's inquest was held, and strychnine found in his stomach and also a quantity in the paper of salts. The salts at the store was examined and found all right.

Mr. Street was possessed of considerable property and was one of the most esteemed citizens of Smith Township. His stomach and the paper of salts have been sent to New York to be analyzed.

CHANGE OF TIME FOR OUR COLUMNS.

By reference to our advertising columns, it will be seen that the time for holding the Summer Term of the Court of Common Pleas in this Sub-Division has been changed. It commences in Belmont June 18. Monroe July 31, and Guernsey August 7. This will bring Court in the midst of harvest.

There is considerable complaint among the members of the Bar at this change. The Spring Term in this County was almost a failure, and it is thought this arrangement for the Summer Term is equivalent to having none.

Judge Kennon, Jr., has not resigned, as was reported by the Columbus Journal of a few days ago.

COMMITTED.

—Two men a woman were arrested in York Township a few days ago, for stealing a sack of Coffee. The sack fell off a wagon loaded for Beallville, and was found in the road by the woman. The men, it is said, assisted her in securing it, and when the owner called for it she denied all knowledge of it. The sack was found, however, and all three of the parties arrested. They had a preliminary examination before Judge Green, of York Township, who recognized all three of them to the Common Pleas. One man had the woman were committed to jail on Saturday, in default of bail.

IN TOWN.

—Phineas T. Barnum, Esq., and John N. Genin, of New York, arrived in our town this morning, on a visit to Thos. E. Genin, Esq. They expect to remain several days.

The great showman, as will be seen by a notice elsewhere, will lecture to our people to-morrow (Thursday) evening on Temperance. Mr. Barnum's fame will, of course, attract an immense crowd, and we would advise our friends to secure their seats early.

HORSE THIEVES, TAKE NOTICE.

—The "Richland Horse Thief Detectives," at their recent election, elected the following officers for the ensuing year:

President—M. J. Thompson.

Secretary—D. G. Neiswander.

Treasurer—Dr. J. M. Mitchell.

Manager—Isaac T. O'Neil.

Nicholas Cooper.

THE LECTURE TO-NIGHT.

—Judge Ray, of Michigan, will lecture on Temperance at the M. E. Church this (Wednesday) evening. Judge Ray is said to be a fine lecturer, and we hope he will have a good audience.

WE direct the attention of Attorneys and

Justices of the Peace to the advertisement of Robert Clarke & Co., Cincinnati.

And of Sheridan he said: "He is the best man in America. He has no peer. He can wield any force. He is unshrinking, simple minded and truly a noble man." And of himself, he said: "There were a thousand others who could have done the things as well as I. I am thankful to God that He helped me to do the work; but had I not been living, or had the Government passed over me, there are other men who would have won the victory for you."

Commercial Matters.

Pittsburgh Cattle Market.

CATTLE.—The sales of cattle during the week were the smallest we have ever reported, amounting in the aggregate to only 167 head, in leaving very clearly that cattle were not moving in demand at the yards. The market has not recovered from the dullness that has been prevailing of late, and the market is very quiet.

The Philadelphia market has partially recovered. It produced no material effect on the market here. The rates this week were above those of last—ranging from \$6.40 to \$7.50, being the extremes.

The change reports by rail to the East were: Baltimore, 38; New York, 891 head. Total, 929 head, against 903 head last week.

Hods.—The market exhibited considerable activity. The demand was active and sales were liberal as compared with last week. The change reports by rail to the East were: Baltimore, 38; New York, 891 head. Total, 929 head, against 903 head last week.

STEEP.—The market was steady, with a fair demand. The sales exhibit a falling off as compared with last week of 837 head.—The rates were \$4.18 to \$5.00 per head.

The change reports by rail to the East were: Baltimore, 38; New York, 891 head. Total, 929 head, against 903 head last week.

Baltimore Cattle Market—Sales at the Live Stock Scales.

CATTLE.—The market has been very light, supplied during the past week with beef cattle, the offerings at the live stock scales footed up only 245 head against 1,253 head last Thursday. The market opened with a fair demand, price favoring sellers, but toward the close, slight concessions had to be made to effect sales, and rates were settled to day, with a downward tendency.

With the exception of 35 head let over, and 175 head taken for Washington, the entire supply was bought up by Baltimore butchers, at the following range of prices:

Scalawags, \$10.00 gross.....\$6.00 to \$6.50
